Additional Environmental Requirements

Stormwater: Industrial General Permits (OHR 000007) expire April 1, 2026. Conduct quarterly inspections. Conduct benchmark monitoring and training as required and at least annually. Those required to submit DMR forms must do so within 30 days of sampling.

Hazardous Waste: VSQG/SQG limited to one planned episodic event and one unplanned event per year – no biennial report required if proper notification..

Wastewater (NPDES/SDS): Discharge reports are required to be submitted at regular intervals, per permit requirements.

SPCC Plan: SPCC Plans must be updated every five years or whenever there is a change in oil storage or spill potential.

Air Permits/Emission Inventories: Submit all construction permit applications; Title V operating permit applications & modifications; notifications of start of construction and start of operation electronically on Ohio eBiz.
