(2) Only required for Large Quantity Generators.

(3) Submit electronically through MPCA e-Services.

(4) Submit electronically through MPCA CEDR.

### Additional Environmental Requirements

**Stormwater:** The current General Permit was issued on April 1, 2020. Maintain records of quarterly inspections, outfall monitoring, and annual inspections with your SWPPP. Conduct and maintain records of annual training.

**Hazardous Waste:** Non-metro counties, hazardous waste license renewal due prior to August 15th. Metro area facilities will need to apply for renewal based on county requirements.

**Wastewater (NPDES/SDS):** Discharge reports are required to be submitted at regular intervals per permit requirements.

**SPCC Plan:** SPCC Plans are required to be reviewed every five years and updated whenever there is a change in oil storage or spill potential. Conduct and document routine inspections and annual training.

**Air Permit Compliance:** Individual permits with specific conditions may require additional reports to be submitted.

**EPCRA TRI:** Begin collecting data for RY2024 for reporting over 100 pounds of 189 specific PFAS chemicals (there is no de minimis exemption). See link for additional information: <https://www.epa.gov/toxics-release-inventory-tri-program/basics-tri-reporting>
